The incoming shipments which consisted of used material 25X1 returned from tank repair shops and new spare parts were at about the same East German industrial level as in the preceding months. 25X1 enterprises furnished about 40 percent of the new spare parts received. 25X1 Comment. Definitely spare parts deliveries to the new KVF tank repair 25X1 shop in Neubrardenburg. 25X1 Comment. The volume of outgoing shipments was larger than in the presions 25X1 months, particularly in May. Increased outgoing shipments in May may be concerted with the arrival, in the same month, of used tanks from the USSR. 25X1

issued probably to KVP units.
